

Iwade Pupil Behaviour Questionnaire

We asked our KS2 pupils questions about our Behaviour Policy that we call the Golden Star system. The detailed responses are below but in summary you told us :

1. Staff who are not teachers do not deal with poor behaviour in lessons or on the playground in the same way. There is inconsistency in the way staff take away golden stars.
2. Behaviour in the corridors or on the playground could be improved.
3. Children in your school lose stars mainly for ;
talking when they should be listening,
being rude to the teacher

More than 90% of you have never lost a star!

4. You think that the following behaviours are inappropriate –
not listening
not showing respect
hurting others
taking when you should be working or listening
fighting
refusing to work
5. Most of you feel that good behaviour should be rewarded by letters home, golden time or team points. Some of you suggested prizes or tokens
6. You would like these rules for the classroom;
Listen well, don't call out
Be respectful, don't be rude
Be kind and gentle towards each other, don't hurt anyone
7. You would like these rules for the playground;
Play fairly, let others join in
Be kind, no rough or aggressive play
Be gentle, don't hurt others especially the younger ones
Respect others
8. You all feel that children who show poor behaviour should be taken out of class to stop them distracting others

Thank you so much to everyone who took part in this survey. We will soon be telling you about the changes we wish to make using your views to help us. You will see many changes. The new system for Behaviour will be trialled during term 6 when once again we will ask for your views so that any changes can be made before a final version is ready and in place for September 2015.
