1	Not received all e-mails that have been sent to others. Do not allow a lot of time between notification and event. i.e xmas fair	12/8/2014 2:50 AM
2	I feel that there is an over reliance on e-mail and that some issues are not highlighted to particular parents for fear of offence	12/7/2014 12:21 PM
3	plenty of details of upcoming school events, but unless you remember to check website you are unaware of class activities such as wow days. communications with new teacher's at beginning of new school year, details do not get related to new teacher and waiting until October/November parents evening is a long time to find out problems occurring. children are not very forthcoming.	12/5/2014 5:38 AM
4	I feel there is a lot more information the school could provide to parents about what is going on. I feel we only get answers once someone raises a question. Certain things need to be communicated in advance which I don't believe the school always does.	12/4/2014 2:28 PM
5	information can still be hit and miss, but it has improved and emails seem to work the best.	12/4/2014 1:49 PM
6	Communication definitely needs improving	12/4/2014 1:43 PM
7	Don't feel parents are informed fully and with advance	12/4/2014 1:20 PM
8	Communication should be more consistent, not expect parents to look at emails all the time Important information should be sent by letter	12/4/2014 4:48 AM
9	There is no communication. The odd newsletter isn't enough. Great having emails and school gateway but they need to be more regular and more detailed information given. More information needs to be given on what's happening with children in class - what learning is taking place.	12/3/2014 3:22 PM
10	It is not always clear what is expected; homework is one example	12/3/2014 2:03 PM
11	More information regarding learning process require	12/3/2014 12:04 PM
12	christmas fayre, badly promoted and confusing	12/3/2014 11:41 AM
13	you do not accommodate working parents in terms of meetings	12/3/2014 10:43 AM
14	Information is shared but sometimes is vague	12/3/2014 10:29 AM
15	Sometimes have to ask further details	12/3/2014 9:58 AM
16	I'm more concerned with parent teacher communication and how we don't rely know our child's teacher.	12/3/2014 8:42 AM
17	I feel that sometimes when letters are sent out regarding more important things I feel that a meeting would be more appropriate.	12/3/2014 8:07 AM
18	Sometimes more background to decisions made would make them easier to understand	12/3/2014 7:58 AM

School Actions :

1. Ensure school paperwork includes the logo and statement "Together Everyone Achieves More"
2. Ensure email is the preferred method of communication with parents rather than text or the website
3. Share the work of the GB through a termly newsletter and ensure minutes are on the Timu website
4. Ensure termly newsletters include curriculum topic information, dates and a brief message from the HT
