

## Government Funding for PE

### *Introduction*

In April 2013, the Government announced new funding of £150million for physical education (PE) and sport. This funding has been allocated to all primary schools since 1<sup>st</sup> September 2013 and is used to improve the quality and breadth of PE and sport provision.

The schools within the Timu Academy Trust have been working towards the delivery of high quality PE and school sport provision for a number of years and employ specialist PE staff, led by a specialist PE teacher.

We have evaluated our current practice and decided on our priorities for 2016/17. The PE and sport funding will be used to meet these.

### *Funding 2016/17*

School	Forecast funding
