As well as these, the expectations for Reading remain that same. Children should read at home to an adult at least three times per week (ideally 5). Please record and sign their Reading Record after each read.

Multiplication Tables remain a focus and in your year group, children should be learning all times tables. Although we will not have formal multiplication tables home learning, children will be assessed on their multiplication tables each week. This may be orally, as part of a game or in a written format.
