

Term 1

What are learning about?

Welcome to TIMU. We will be learning all about the rules and routines at school. We will learn how to make new friends. We will explore what makes us special and our similarities and differences through our countries, families, homes and pets. We will explore who is special to us and why. We will learn about healthy eating and how to keep our bodies and minds healthy. As Autumn creeps in we will learn to keep our bodies warm as we observe the world around us.

Letters and Sounds
Phase 2 Phonemes
s a t p i n m d g o c k

Handwriting

Gross motor/ fine motor/
dough disco/ Write dance
Patterns in sand, foam,
chalk, ribbons and much
more

Wildlife Wanderers Welly walks around our school. What can we find? Our field, our forest, our pond, our animals and our local environment. We often bring the wonderful world back into the classroom and create real life small worlds.

How can I help at home?

Enjoy books at home as much as you can. Get involved with our Home Learning Menus. Practise your new letter sounds, new numbers & patterns. Make healthy meals and get plenty of exercise and fresh air.
