Discovery Topic: Is it ever right to fight?

This term our topic is 'Is it ever right to fight?'. We will be looking at a range of areas involved in both of the wars: The Battle of Britain, the Blitz, shelters, evacuation, rationing and the life of Anne Frank. Below is a list of home learning activities. Complete four of the activities below (at least one of which must be writing based). These need to be returned to school before the end of term, although they can come in before as and when they are completed. If you need any resources in order to complete these activities, then let us know as we can provide these for you. Creative projects should be photographed and sent in on the class email address and these will be shared with the class during assembly time.

As well as these, the expectations for Reading remain that same. Children should read at home to an adult at least three times per week (ideally 5). Please record and sign their Reading Record after each read.

Multiplication Tables remain a focus and in year 6, children should be learning all times tables. Although we will not have formal multiplication tables home learning, children will be assessed on their multiplication tables each week. This may be orally, as part of a game or in a written format.
