

# EYFS Home Learning Menu - Term 1

Do you want to be my friend? Why can't I eat sweets for breakfast?

Pick and mix from our menu of activities. Upload images or videos of your learning to

Tapestry once we are set up. Please include a brief description of what you have been up to and what your child says in "speech marks" when possible so that we can see what they understand.

## Handwriting

Ride your bike, go for walks & continue to get lots of exercise that will strengthen your core muscles ready for writing.

Can you hold your pencil correctly?

Can you make these patterns with your finger in the sand, foam, bath bubbles, puddles etc. or with tools like pencils, pens, crayons and paint brushes?

Can you use a pair of scissors and cut out your favourite character from a colouring book or a catalogue?

What letter does your name start with? Can you write this capital letter?

1. Put two frog legs just above the cone shaped part of the pencil.
2. Let the pencil lie across the frog's back.
3. Then put the log under the frog.

## Reading

Read your reading book at least 3 times per week.

Don't forget to sign in the Reading Record as we report on this on their report in green, amber and red.

Can you turn the pages carefully? Can you find the spine? Can you find the front cover and back cover?

Can you compare events in the story to events in your own life?

## Maths Mastery

Where's Teddy gone? Place Teddy behind, next to, under and on top of things around the house. Ask "Where is Teddy?" Get the children to explain using prepositional language 'under' 'over' 'next to' 'inside.' etc.

## Understanding the World

Visit a pumpkin patch and talk about harvest at this time of year.

Collect 5 different shades of leaves on a woodland walk.

What technology do you use at home? How does it help you?

Talk to your grandparents, how was life different for them growing up?

Play shy numbers with number 1-5. Look for numbers on houses hiding. Can you find 1 2 3 4 5?

Can you make numbers 1 2 3 4 5 out of anything and photograph it? Do one number per week.

Can you lay the table for dinner and count how many forks there are?

How many steps do you climb to get to your bedroom?

## Physical Development

Do you brush your teeth? Can you explain why this is important?

Can you put your own school uniform on and take it off? Try to do your own coat and zip. One trick is to tie a keyring on to the zip to help.

Can you throw and catch a ball?

## Exploring and using Media and Materials

Make a fruit kebab and talk about your favourite fruits. Experiment by using leaves and sticks to paint with.

Can you mix colours to find the different shades of the leaves that you have found?

Can you draw or paint a portrait of you or your family?
