

EYFS Home Learning Menu - Term 2

How does the school stay up? Are we nearly there yet?

Pick and mix from our menu of activities. Upload images or videos of your learning to Tapestry. Please include a brief description of what you have been up to and what your child says in "speech marks" when possible so that we can see what they understand.

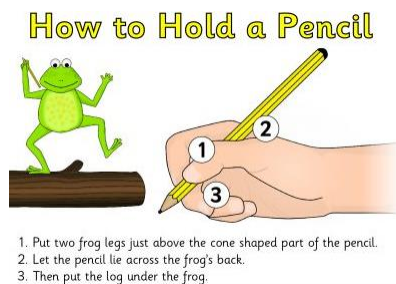

Handwriting

Ride your bike, go for walks & continue to get lots of exercise that will strengthen your core muscles ready for writing.

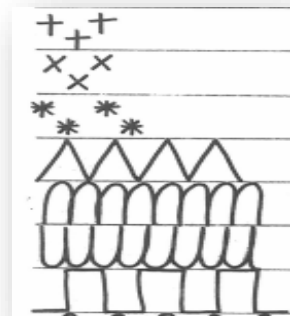

Can you hold your pencil correctly?

Can you make these patterns with your finger in the sand, foam, bath bubbles, puddles etc. or with tools like pencils, pens, crayons and paint brushes?

Make attempts to write everything, from shopping lists to building instructions.

1. Put two frog legs just above the cone shaped part of the pencil.
2. Let the pencil lie across the frog's back.
3. Then put the log under the frog.

Reading

s, a, t, p, g, i, n, m, d, g, o, c, k, ck, e, u, r, h, b, f, ff, l, ll, ss

Practise your letter sounds and names using your comics and actions. Can you identify words which start or finish with these sounds? Practise reading your tricky words too: **no go I and the to is it at**
Read your reading book at least 3 times per week.
Don't forget to sign in the Reading Record as we report on this on their report in green, amber and red.

Maths Mastery

Can you add?

Can you subtract?

Can you break a number into two or three numbers? i.e.
 $4 = 2 + 1 + 1$

Can you order the number blocks? Say which is one more and one less? Can you recognise the numbers by their formation? 1 2 3 4 5

Understanding the World

Have you seen any signs of new engineering or innovative buildings in Sittingbourne? What do you notice? Can you find out about any famous landmarks from around the world? Can you research any famous modern engineers? Compare old and new buildings. How are they changing?

What shapes can you see around you?

Do animals use shapes in their buildings? Do animals invent?

Physical Development

What is heavy? What is light? When you pick things up how can you handle heavy things safely?

Do you know how to lift safely?

Work with wood and tools at home safely - can you make a hedgehog house? *Please always supervise small children with real tools.*

Exploring and using Media and Materials

Can you print with nuts and bolts? Design your own building?

Create a night time image.

Create a firework image. Use building and travel resources to create a sculpture.
