

PE: To be confirmed

Y6 Discovery Home Learning Menu

Discovery Topic: Mythical creatures: fact or fiction?

This term our topic is 'Mythical creature: fact or fiction?' We will be looking at a range of mythical creatures, learning about them and their stories, Below is a list of home learning activities. Complete four of the activities below (at least one of which must be writing based). These need to be returned to school before the end of term, although they can come in before as and when they are completed. If you need any resources in order to complete these activities, then let us know as we can provide these for you. Creative projects should be photographed and sent in on the class email address.

<p>Draw your favourite mythical character from a book that you have read or a film you have seen</p> 	<p>Use items around your house to make a mythical creature</p> 	<p>Created a wanted poster for a mythical creature</p> 	<p>Conduct a science experiment and make a parachute to protect your (dragon) egg</p> 	<p>Make your own dragon egg and decorate it</p> 
<p>Write a newspaper about a suspicious spotting of a mythical creature</p> 	<p>Write some maths word problems including a mythical creature</p> 	<p>Write a letter urging the government to protect a specific mythical creature</p> 	<p>Create a map of the world showing where mythical creatures inhabit</p> 	<p>Write a description of a mythical character from a book that you have read or a film you have seen</p> 

As well as these, the expectations for Reading remain the same. Children should read at home to an adult at least three times per week (ideally 5). Please record and sign their Reading Record after each read.

Multiplication Tables remain a focus and in year 6, children should be learning all times tables. Although we will not have formal multiplication tables home learning, children will be assessed on their multiplication tables each week. This may be orally, as part of a game or in a written format.
