Can you observe?

How to teach the skill of observation...?

Skill & word	Feel the word in your mouth	Learn the meaning together	More ways of explaining	Questioning	WAYS TO COLLECT EVIDENCE	STEAM predictions
Observe	Say it growl it clap it sing it use it	Notice or perceive (something) and register it as being significant.	Similar to a sports commentator. David Attenborough watching animals behaviour. Say what you see happening. Look closely.	What can you see? What can you hear? Smell? Notice? Feel? Describe it? Describe it.. What did you observe? Why? How might it? Why won't it? Convince me... Explain your reasoning? How accurate are you? Got any evidence? How will you prove it?	FILM YOURSELF DRAW IT SKETCH IT REPORT IT SING IT DANCE IT ACT IT NOTE IT	Observe friends. Observe movement. Observe gravity. Observe playground behaviours Observe the light around you? Observe chemical reactions within STEAM investigation! You can observe everything!

Observation Skill Assessment

To observe or observation means...
I observed...
I used _____ to note down my observations.
Observing in day to day life is important because
I enjoyed observing when I
I least enjoyed observing when I
In the future I am going to observe

To observe or observation means *to watch something closely and look for changes.*

I observed *an apple as it spent time exposed to air.*

I used *_crayons and paper_* to note down my observations.

Observing in day to day life is important because *we can watch changes happen and explore why they happen together.*

I enjoyed observing when I *watch with friends because they might notice things that I don't.*

I least enjoyed observing when *nothing happens.*

In the future I am going to observe *What happens to friends when I smile more.*
